In With The New

He shuffled around under the duvet, muttered a curse at his thudding hangover. Good night out, too much to drink... and boy, did he suffer for it later. He even thought he could remember taking a close friendship to a whole new level.

Arms wrapped around him, and he settled against the chest with a sigh before details began to soak into his hungover brain.

"Happy new year," mumbled the other man, and nibbled his lower lip before sinking into a slow, sweet kiss.

"Happy new year, Long," replied Chris, and went back to sleep.
